

NanoDays™

The Biggest Event for the Smallest Science!

*The world is shrinking...
are you up to speed with nano?*

Salt Lake City Public Library
210 East 400 South
Saturday June 18, 2011
12-4pm
Admission Free

Demonstrations include:

← **Twist your way out of
memory wire**

← **Play with sand that
can't get wet!**

← **Learn how lasers can
control nanoparticles**

Check us out at: <http://umnh.utah.edu/nano>

For Kids and Adults!
