

***The Nano Institute of Utah,
The Utah Center for Nanomedicine and
The Department of Pharmaceutics & Pharmaceutical
Chemistry***

Present a Guest Speaker

Dan W. Urry, Ph.D.

Author

*Consilient Mechanisms for Protein-
Based Machines and Materials
Bioelastics, Inc., Vestavia Hills, AL*

“Thermodynamics of Hydrophobic Hydration: in protein function and in drug design, release and targeting.”

Friday, December 17, 2010
HSEB Room 2680
2:00-3:00 PM

Hosted by Hamid Ghandehari – Ph: 801-587-1566
